

SUMMER READING ASSIGNMENT FOR ENGLISH 6

2011-2012 CLASS

Each student should read a Newberry Award winning novel that he or she has not read before. Any public library should have a list of those.

(I've read almost all of the older award winners, but I can't vouch for all of the newer ones, so parents should help your student decide on a novel.)

There will be an oral book report given after about a week of school. I will give out the instructions for that report at Parent Orientation.
